ARBILL CEO RECEIVES 2021 MDM AWARD

JULIE COPELAND, ARBILL CEO

We are proud to share that **Arbill's CEO, Julie Copeland** was recently presented with the **2021 Modern Distribution Management Women in distribution award**. This award recognizes the exceptional job performance and overall industry influence of women in the traditionally male-dominated field of distribution and showcases successful leaders who demonstrate excellence, all while breaking barriers and championing other women toward success.

Julie was nominated for this award by Fred Singer of Singer Equipment Company.

SAFETY TIP:

EYES ON THE ROAD

Do not text or use a hand-held phone while driving. Further, avoid using hands-free phones as much as possible – even if your employer allows them.
