3M™ SECURE CLICK™ HALF FACEPIECE REUSABLE RESPIRATOR HF-800 SERIES

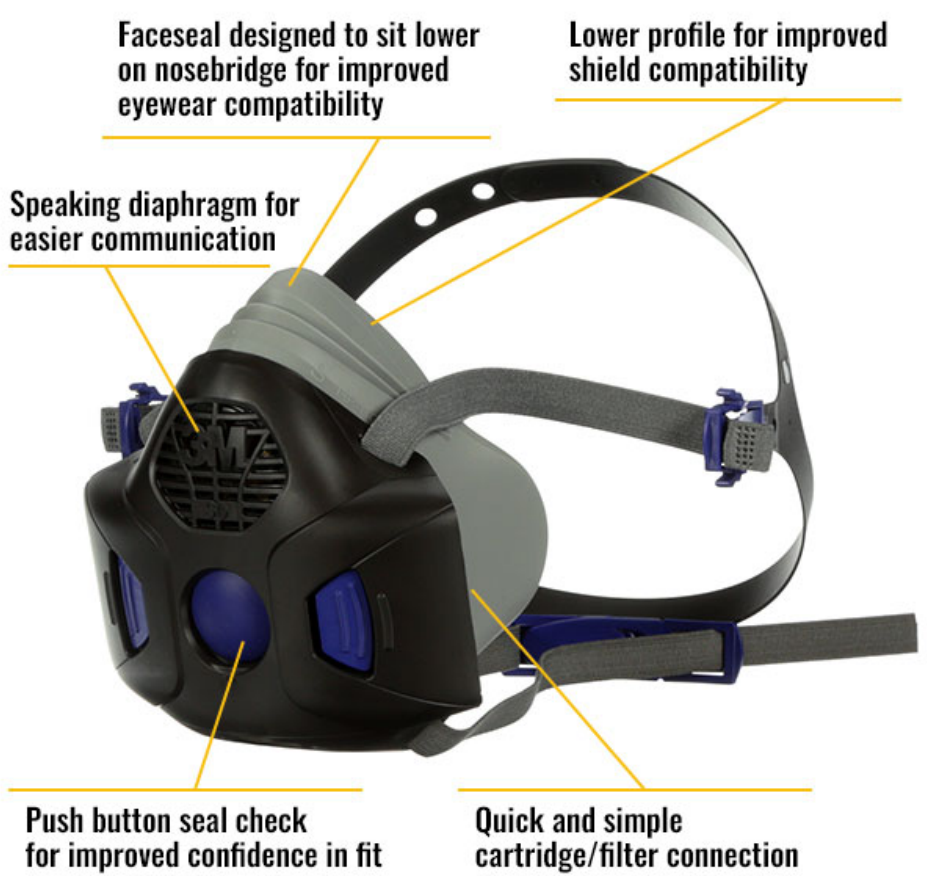

Helps provide protection against certain airborne contaminants.

For use with 3M™ Secure Click™ particulate filters and gas/vapor cartridges.

USE

When properly fitted and used, these respirators may be used in contaminant concentrations up to 10 times the Permissible Exposure Limit (PEL) with approved 3M cartridges and filters. Not for use in environments that are immediately dangerous to life or health (IDLH) or in oxygen deficient environments.

APPROVALS

HF-800 Series half facepieces are NIOSH approved for use with D8000 Series cartridges and filters D3000, D7000, and D9000 Series against a variety of gases, vapors, and particulate hazards.
